SWATCHES

Taken from the base copper, this palette looks to complete the set allowing the copper to shine while nodding towards Neilston Homes’ minimalist, bold architecture.

FONTS

Using Neilston Homes’ default font Poppins, here are a couple of pairings that may work.

Fonts include full character sets including macrons unless specified

HERE’S POPPINS MEDIUM AS A HEADER

Combined with Vollkorn as body copy to create a bolder, fuller look while still being legible and professional

Here’s Caveat Regular as a header

Combined with Poppins as body copy to create a feeling at the approachable, personal and fun end of the spectrum

Here’s Lora Regular as a header

Combined with Poppins as body copy to create a softer, more inviting feeling to the brand’s collateral
